The Willesborough Schools

Home School Agreement

At The Willesborough Schools, we recognise each child as an individual and aim to give all children every opportunity to Wonder, Inspire and Shine – in other words, to reach their full potential. We believe that children thrive best when there is a strong and positive partnership between the school, parents and carers, and the child. This Home–School Agreement sets out how we can work together in a supportive and respectful way to achieve this.

The School will:

1. Provide a safe and nurturing learning environment where every child feels valued and supported.
2. Deliver high quality teaching and a broad and balanced curriculum that meets the needs of all learners.
3. Help children to understand and meet behaviour expectations that enable a calm, happy and successful learning environment.
4. Encourage each child to develop academically, socially and emotionally, celebrating achievements and personal successes.
5. Welcome parents and carers into the life of the school and provide opportunities to be actively involved in their child's education.
6. Offer support and guidance to help children settle into school life and move confidently through transitions.
7. Promote equality, inclusion and safeguarding so that every child feels safe and able to succeed.

Tom Head, Executive Headteacher

As a parent/carer I will:

1. Ensure my child attends school regularly and arrives on time.
2. Support the school's behaviour expectations and work in partnership with staff if my child experiences difficulties
3. Follow the school's uniform policy, ensuring my child wears the correct uniform, has an appropriate hairstyle and only wears permitted jewellery.
4. Support my child's learning at home by encouraging reading, completing home learning, and showing interest in school activities.
5. Communicate promptly with the school about any concerns or changes that may affect your child's wellbeing, learning or attendance.
6. Promote kindness, respect and positive behaviour at home and in the wider community.
7. Attend parent-teacher meetings and school events to stay involved in your child's education.
8. Raise questions or concerns directly and respectfully with the school, rather than through social media or parent forums.
9. Follow the school's expectations for parental conduct, helping to maintain a positive and professional school community.

Parent conduct:

To ensure the best outcomes for children, it is important that all communication within our school community is respectful and constructive. We ask that parents and carers approach staff calmly and thoughtfully when raising questions or concerns, so that we can work together positively in the best interests of our children.
